Class Info

- **Date:** Thursday, March 18, 2021, 2:30-3:45pm
- **Meeting Info**: Class will meet synchronously on zoom ([zoom link](#))

To-Do Before Class

N/A

Topic

Second-order linear differential equations.

Homogeneous second-order linear differential equations with constant coefficients.

Objectives

- Identify and solve homogeneous linear second-order differential equations with constant coefficients.
- Understand and apply the relationship between the two basic solutions and the general solution of homogeneous second-order linear differential equations.

Activities
