

Hi everyone,

Two quick clarifications regarding the Special Offer:

1. After the special offer, your NEW score for that problem will replace your OLD score.

Here is an example:

Original score on problem 3: **20 points**

Original Exam 1 score: **45 points**

SPECIAL OFFER Revised score on problem 3: **35 points**

Extra points earned on problem 3 when the new score replaces the old score: **+15 points**

Revised Exam 1 score: **60 points**

2. If you plan to take advantage of the Special Offer, please [read the instructions](#), and send me an email in the next few days stating the problem you plan to work on.

Have a good weekend,

Prof. Reitz
