

Class Info

- **Date:** Thursday, April 22, 2021, 2:30-3:45pm
- **Meeting Info:** Class will meet synchronously on zoom ([zoom link](#))

To-Do Before Class

N/A

Topic

Review of Power Series
Series solutions of differential equations

Objectives

- Review Power Series and Taylor/MacLaurin Series
- Learn how Power Series can be used to solve differential equations.

Activities
