Department of Architectural Technology

ARCH 3609 Integrated Software in
the Architectural Office

Deliverable

Taking under consideration the comments from the midterm presentation **update your PORTFO-LIO and the 22" BY 34" BOARDS** that summarize the **Alphabet** and **City Data** parts of the bustling vacancy project.

This is the last week you will be spending time on ALL the requirements of Assignments 01 till 08 as well as workshop 01 so go ahead and FINALIZE this phase!!!

Grading

You will receive a **Midterm grade** on your **Updated Book and Boards** so please make sure that they are updated and complete **by next Friday, April 4th, 2.00pm and submitted under A09**.

Submission

Due Date: 2.00 pm Friday, April 04th.

Upload on blackboard, **named accordingly** under assignment 09:
01. Your book as a .pdf file exported as SPREADS (This is for digital presentations purposes.)
02. Your book as a .pdf file exported as PAGES (This is for printing purposes.)
03. A compressed file of your book PACKAGED indesign folder.
04. A .pdf file of your 22"by36" boards.
05. A compressed file of your 22"by36" boards PACKAGED indesign folder.

In order to package your indesign document go under File/Package. A new folder will be automatically created in the location you have been saving your indesign file. Right click on this newly created folder and add file to .rar. in order to compress it. This is the file you should upload on blackboard.

THIS SUBMISSION IS VERY IMPORTANT AS WE BEGIN A NEW PHASE OF CREATIVITY AND PRODUCTION!!!
