

Ok Folks,

I hope you all doing well and I am sure you have a lots of questions and I will try my best to answer all of them making announcements. I know you biggest concerns are upcoming Exam II and the Final exam, so this is what you need to know about our upcoming exams.

Please follow my instructions in details, as you always did and I am very proud of all of you, thank you. You are doing fantastic job regarding your Homework assignments and I am glad I trained you in advance how to use Blackboard from the beginning of the spring semester.

EXAMS SUBMITTION (similar to your Homework assignments) this is what I will do:

1. EXAM II will be uploaded as PDF format
2. It will be available on the date is scheduled (probably on Monday, April 6th as it was schedules on your syllabus) will make announcement if there is any changes to it or its postponed so please stay alert.
3. EXAM II will be **available** at the beginning of your PHY 1433 Lecture class schedule which is **3:00 P.M.** and you will be given 1:40 min to finish and upload your work.

PLEASE DO NOT FORCE to open exam before the time comes.

Of course I will extend it until 4:00 P.M. since you need to upload your work I am aware of this no worries.

During your exam I will be online too so no worries, I will open the chat room and you can ask me questions If you have any.

The screenshot shows the Blackboard interface for '2020 Spring Term (1) General Physics I: Algebra Based PHYS 1433 D702[24852] (NYC College of Technology)'. The 'ONLINE EXAMS' section is active, displaying a list of exams. The 'EXAM II' entry is highlighted with a yellow circle and a yellow arrow pointing to it. A text box next to the circle says 'Click on EXAM II and new window will appear'. The exam details include: 'Availability: Item is hidden from students. It will be available after Apr 6, 2020 2:00 PM.', 'Enabled: Statistics Tracking', and a list of chapters: 'Circular Motion and Gravitation Chapter #6', 'Work, Energy and Power Chapter #7', 'Momentum and Collisions Chapter #8', 'Statics and Torque Chapter #9', and 'Fluid Statics Chapter #11'.

The screenshot shows the 'Preview Upload Assignment: EXAM II' page. The page title is 'Preview Upload Assignment: EXAM II' and the subtitle is 'You are previewing the assignment - your submission will not be saved.' Below the title is the 'ASSIGNMENT INFORMATION' section, which contains two boxes: 'Due Date' with the value 'Monday, April 6, 2020 11:59 PM' and 'Points Possible' with the value '100'.
