The suffering of captions

- Misspelled words
- Extra captions
- Repeated words
- Voices overlapping
- Not being able to switch captions position on the timeline

My coworkers

- Kind
- Patience
- Creative
- Understanding
- Open-minded

My Takeaways & Final Thoughts

Image by: Adobe Stock

- Always be on time
- Communicate with your coworkers
- Giving myself deadlines for videos
- Take people's words with a grain of salt
- Concentrate & listen
- Coming up with my own working system
- Learned a new software

Overall I had a great time working for ESR 24/7 Esports Network. They taught many new ways to edit videos and to take advantage of these new softwares. I hope the company keeps on growing and hopefully our paths cross again in the video editing industry

Thank You
