

Alan Fong, Registered Nurse

Alan is one of our Manhattan nurses and a true GSC team player. He is not the type to crave the spotlight but his hardworking, humble, and always helpful work ethic

surely do deserve it. In recognition of his growth as a perioperative nurse since joining Gramercy in February of this year we proudly nominate Alan as this month's Clinical Spotlight awardee and we thank you Alan for your dedication to the Gramercy Difference. Daniella, share her own words: "Alan is very dependable, smart, easy to work with and a fast learner."
