Story Summary

Eba is the youngest daughter of Alpha and Beta, mother and father respectively, who is trying to teach her some good advice on how to survive this world. They set up a classroom like setting with Eba sitting in front of a chalkboard with Alpha and Beta on either side. They both have different opposing viewpoints on how the world works and both attempt to write their respective mantras over the other. Alpha and Beta argue which ends up getting intense to the point where Eba starts to cry. Alpha and Beta turn their attention to their daughter and forces her to write down what she thinks is the best way to survive. Eba writes down a single mantra that satisfies her parents and they leave. Eba, all alone cries in silence.
