Gerard Jitechian

PHOTO #:02.015.14880 [Photograph]. (n.d.). The New York City Housing Authority, La Guardia and Wagner Archive, Brooklyn. Retrieved April 5, 2016, from <http://www.laguardiawagnerarchive.lagcc.cuny.edu/> (Originally photographed 34, February 1)

This photo shows a building under construction in Vinegar Hill, on the corner of York and Bridge St. An automobile can be seen on the curb, as the photo was taken in the 1930s

Lionel Pincus and Princess Firyal Map Division, The New York Public Library. (19--?). Map showing proposed extension of Flatbush Avenue to Brooklyn Bridge. Retrieved from <http://digitalcollections.nypl.org/items/340c4540-d350-012f-2c90-58d385a7b928>

This map of Brooklyn shows a planned extension of Flatbush Ave to the Brooklyn Bridge.

Lionel Pincus and Princess Firyal Map Division, The New York Public Library. (1875). New map of the city of Brooklyn Retrieved from <http://digitalcollections.nypl.org/items/c3ef2a04-0592-7244-e040-e00a18061b53>

This city planning map from 1875, was drawn before the Brooklyn bridge's construction. The second image is a blown up area surrounding the Brooklyn bridge, which at the time was just labeled "suspension bridge."

Lionel Pincus and Princess Firyal Map Division, The New York Public Library. (1849). Map of the city of New York : with the adjacent cities of Brooklyn & Jersey City, & the village of Williamsburg Retrieved from <http://digitalcollections.nypl.org/items/510d47da-f002-a3d9-e040-e00a18064a99>
["St. Ann and Holy Trinity, Brooklyn"](#). National Historic Landmark summary listing. National Park Service. 2007-09-18.

This is a pre East River bridge map. No bridges span the river; transport was conducted via boat in this time.

Tomian, Michael (November 21, 2014). [Historic Preservation: Caring for Our Expanding Legacy](#). Springer. p. 344. Retrieved 13 November 2015.

This book contains many entries on various historical locations in the USA. It's entry on St. Anne's Church, located in Brooklyn Heights, gives some information about the church's restoration in 1879.

The Building | St. Ann & the Holy Trinity. (n.d.). Retrieved February 15, 2016, from <http://www.stannholytrinity.org/building/>

This source gives information about the history of St. Anne's Church, located in Brooklyn Heights. This is a good source of information provided by the church's affiliations.. The webpage also has many historical photos of the church.

Pressa, D. G. (1997). VINEGAR HILL HISTORIC DISTRICT DESIGNATION REPORT (Rep.). Retrieved April 5, 2016.

This report is an excellent resource to find out about specific buildings in Vinegar Hill. This report was written in order to petition the city to designate certain areas of Vinegar Hill as Landmarks, so as to protect them from further urban renewal.

55 HUDSON AVE [Photograph]. (n.d.). DOF: Brooklyn 1980s Tax Photos, NYC Department of Records, Brooklyn In *Department of Finance 1980s Brooklyn*. Retrieved April 4, 2016. (Originally photographed 1983-1988)

This is a photo of 55 Hudson Ave, Brooklyn, taken in the mid 1980s. These photographs were taken for tax purposes, by the Brooklyn Dept of finance. Using color film, over 800,000 photographs were taken, and in 1989, the photos were recorded on Laser Video Disks (LVDs), using analog video capture. This photo gives, and archive in general, gives readers a glimpse of a structure over 30 years ago.

69 GOLD ST [Photograph]. (n.d.). DOF: Brooklyn 1980s Tax Photos, NYC Department of Records, Brooklyn In *Department of Finance 1980s Brooklyn*. Retrieved April 4, 2016. (Originally photographed 1983)

Using color film, over 800,000 photographs were taken, and in 1989, the photos were recorded on Laser Video Disks (LVDs), using analog video capture. This photo gives, and archive in general, gives readers a glimpse of a structure over 30 years ago.

239 FRONT ST [Photograph]. (n.d.). DOF: Brooklyn 1980s Tax Photos, NYC Department of Records, Brooklyn In *Department of Finance 1980s Brooklyn*. Retrieved April 4, 2016. (Originally photographed 1983)

This is a photo of 239 Front St., Brooklyn, taken in the mid 1980s. These photographs were taken for tax purposes, by the Brooklyn Dept of finance. Using color film, over 800,000 photographs were taken, and in 1989, the photos were recorded on Laser Video Disks (LVDs), using analog video capture. This photo gives, and archive in general, gives readers a glimpse of a structure over 30 years ago.

ZoLa Maps. NYC Department of Planning. (2016). [Vinegar Hill, Brooklyn, New York] [Street map]. Retrieved from <http://maps.nyc.gov/doitt/nycitymap/template?applicationName=ZOLA>

Zola maps is a great resource, where one can leverage GIS technology to quickly retrieve information about a structure in New York City. It is very helpful in attaining “lot” and “building” numbers for a particular structure; this designation is used to search for other records pertaining to the structure. One can search by address, or interactively point and click to building. Information about landmarks is also given, along with other quantitative data.

Google Maps. Alphabet Inc. (2013). [Vinegar Hill, Brooklyn, New York] [Street map]. Retrieved from <https://www.google.com/maps/place/Vinegar+Hill,+Brooklyn,+NY+11201/@40.7036698,-73.984086,17z/data=!3m1!4b1!4m2!3m1!1s0x89c25a36461bae37:0x91847f21ff46e632>

Google Maps, and its associated streetview and 3D view are an excellent tool when doing site research. The ability to travel to virtually any street in NYC and see photographs is very

powerful. Also, the community 3D structures are a great tool as well.

Brooklyn Daily Eagle, Our Civic Triumph, bklyn.newspapers.com, Pg. 11, May 24, 1883

This newspaper article recalls public opinion about the opening of the Brooklyn Bridge. The article gives viewpoints of several people on the Bridge's completion. It also gives some logistical information about the bridge's capacity and planned usage.

Keynote View Company, "A Masterpiece of Engineering - The Brooklyn Bridge", Stereograph

This stereo photograph shows the Brooklyn Bridge. Being a stereograph, one can get a true idea of perspective while examining a glimpse of the bridge's past.

Brooklyn Bridge. (2016). In Encyclopædia Britannica. Retrieved from <http://www.britannica.com/topic/Brooklyn-Bridge>

This encyclopedia gives vital information about the Brooklyn Bridge and its construction.

Brooklyn Bridge. [Photo]. In Encyclopædia Britannica. Retrieved from <http://www.britannica.com/topic/Brooklyn-Bridge/images-videos/The-opening-of-the-Brooklyn-Bridge-chromolithograph-by-Currier-Ives/188943>

This chromolithograph by Currier & Ives, illustrates the opening celebration of the Brooklyn Bridge.

La Guardia, Fiorello H.. [Photo]. In Encyclopædia Britannica. Retrieved from <http://www.britannica.com/biography/Fiorello-H-La-Guardia/images-videos/Fiorello-H-La-Guardia/156561>

A photograph of mayor Fiorello H. La Guardia in his office, during his tenure as mayor of NYC.

Wagner, Robert F.. [Photo]. In Encyclopædia Britannica. Retrieved from <http://www.britannica.com/biography/Robert-F-Wagner-mayor-of-New-York-City/images-videos/Robert-F-Wagner/181614>

A photograph of mayor Robert F. Wagner, during his tenure as mayor of NYC.

Brooklyn Eagle. (1911) photo of exterior. Brooklyn Collection, Brooklyn Public Library.

A photograph of the no longer standing St. Anne's Catholic Church at 251 Front Street at Gold Street Brooklyn, N.Y. 11201.

55 HUSDON AVE [Photograph]. (n.d.). DOF: Brooklyn 1930s Tax Photos, NYC Department of Records, Brooklyn In *Department of Finance 1930s Brooklyn*. Retrieved April 12,, 2016. (Originally photographed 1930s)

This is a photo of 55 Husson Ave, one of 720,000 35mm black-and-white pictures of every building in the five boroughs. They were used as a tool for appraising real property for taxation purposes.

69 GOLD ST [Photograph]. (n.d.). DOF: Brooklyn 1930s Tax Photos, NYC Department of Records, Brooklyn In *Department of Finance 1930s Brooklyn*. Retrieved April 12,, 2016. (Originally photographed 1930s)

This is a photo of 69 Gold St, one of 720,000 35mm black-and-white pictures of every building in the five boroughs. They were used as a tool for appraising real property for taxation purposes.
