

Topic: Clandestine Insurgent Rebel Clown Army (CIRCA)

TACTICS

The tactics used by the Clandestine Insurgent Rebel clown army are non-violent direct action, creative disruption, mass street action, pre-figurative intervention, inflatables, and costumes.

ISSUES

The issues tackled by CIRCA are global problems much like those tackled by the G8 Summit. For example global warming, global economic recession, trade, nuclear threats, human rights

TIMEFRAME

The CIRCA timeframe is from 2003 to present day.

PLACE

Initially set in the U.K. especially in London, Scotland and Gleneagles

RESULTING EFFECT OR CHANGE

The aim of the group is to use ridicule and absurdity as powerful tools against authority (beautifultrouble.org) in order to promote global awareness.
