To Whom It May Concern:

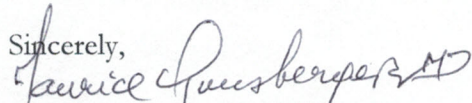

It is a great pleasure that I recommend Arambegim Nazrisho for a Registered Nurse position in your esteemed medical Institute. I am the Medical Doctor in private practice in Hempstead, Levittown, New York.

Arambegim Nazrisho was with my medical office for six months. During her tenure I was immensely awestruck with her ability in dealing with my patients. Although she was working at my office as a volunteer, she has had all the requisite qualification and knowledge that is expected of every nurse.

She is intelligent, patient, good listener, has a pleasing personality and above all is a person of integrity. It needs a special mention of her humanitarian nature which has been the reason why she achieved many milestones during her stay in my medical office. Above all, it is her passion and devotion she has passed the New York State Lisencure Exam and is now Registered Nurse.

I recommend to you a genuinely talented young lady who is a perfect fit for the nursing job.

Should you have any questions and/or concerns please feel free to contact me at above mentioned telephone number.

Sincerely,  
  
Maurice Gunsberger, MD
