

Q: Do you usually have guests?
A: Once in a while, but they are mostly overnight guests so we need an extra bedroom for them.

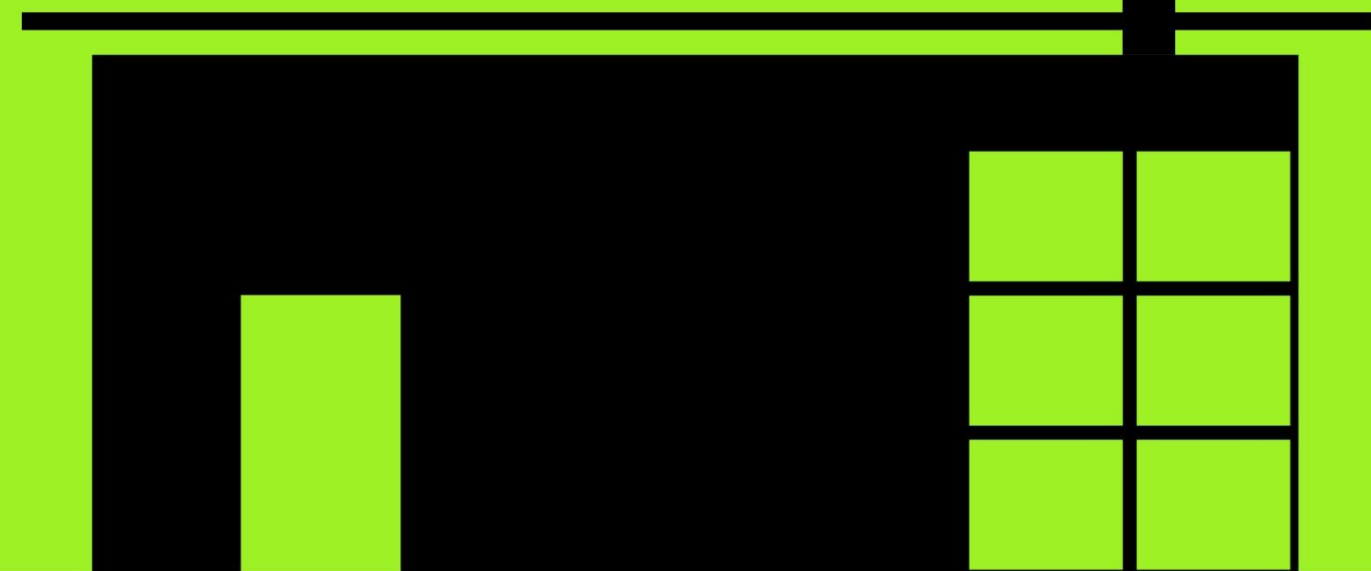

Q: Which part of the house would be most important to you?
A: The kitchen and the living room are the most important spaces to me.

Q: Do you need your own room for your work space?
A: Yes as I'm a ballet dancer I need a room for my sport instruments.

Q: Should there be a room with a special purpose? Gym etc.
A: I think I already answered this question in the number 3.

Q: What is your form of transportations?
A: We have a car, but we usually go to work by train.

Q: Do your families like outdoor spaces?
A: Yes we do. My husband and I like to do barbeque during the weekends.

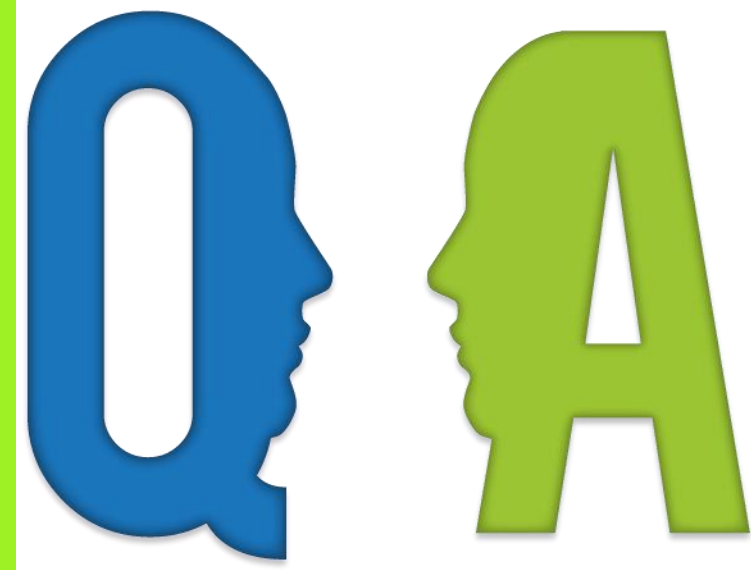

Q: Do you prefer natural sun light?
A: Yes we do want to have the natural light for our bedrooms, specially for the kids bedroom.

Q: How do your kids get to school?
A: My kids usually go to school by school bus, but sometimes my husband would give them a ride.

Q: Do you have any special dislike? Design, Color, Materials etc.
A: I don't like to have carpet flooring, also I don't like to see cold colors all around the house. I feel upset with cold colors.

Q: Besides working and studying, what kind of activities your families do in free time?
A: We usually watch movies together, kids have X-box so we play family games together as well and we all like to spend time in the kitchen together and cook.
