

Megan (7) loves to dance and watch ballet. Billy (1) is still little, but soon will be big & strong.

Family of four (Jack, Annabeth, Megan, and Billy Dempsey). Jack is the father, and he is a boxer, while Anna Beth, the mother, is a copy editor. Both need ample space for them to be able to train/work on their professions, without waking the kids. They are also big fans of having outdoor parties and have guests stay over.
