

Designer I

Designer with 1-4 years' experience – Hutker Architects is a dynamic firm of 60 professionals who share a passion for design, a commitment to excellence, and a common belief that good residential design can improve quality of life for inhabitants and enrich the communities in which they live.

Hutker Architects is seeking skilled licensed Architects or non-registered Designers for our Vineyard Haven and Falmouth (Massachusetts) offices. Candidates must have 1-4 years of strong residential design experience coupled with expertise in all phases of design and technical development. CAD, Photoshop, SketchUp and Microsoft Office skills required, Revit skills desired.

Please email cover letter, resume, sample portfolio and salary requirements to hr@hutkerarchitects.com. NYCCT applicants may indicate in the body or subject of the email that they were referred by John DiSalvo.
