IMC Architecture is a boutique start-up firm looking for a talented individual to help grow our practice. Our work includes ground up and renovation of medium to large scale multi-family residential, commercial, and mixed-use projects.

Responsibilities will include site surveying, production of design development and construction documents, site meetings, and direct client interaction. Candidates must be self-motivated, reliable, and able to manage all aspects of a project.

Candidate Qualifications:

- Bachelor's degree in Architecture
- Proficiency in Revit.

We are looking for highly motivated individuals who are willing to take on responsibility and grow with our team. We encourage people who are detail-oriented, collaborative, and eager to take on challenges to contact us.

Qualified individuals should:

1. Submit PDF resumes and work samples (not to exceed 5 MB)
