

Our company is looking to hire draftsman &/or intern architect that know AutoCAD and are recent graduates/alumni or working in a master's program.

We are an architectural/expediting firm located in Lynbrook, NY. The candidate will be working for the architectural side of the company. The job includes site visits in any or all the 5 boroughs occasionally . Our office is open and would like someone in person with the option to work remote when/if necessary. We are looking for a draftsman or intern architect who knows AutoCAD. We do a lot of TPP, OPP, FPP, FSP, DOT, CCD1 & FDNY variances etc. Our hours are 8:30am – 4:30pm Monday – Friday.
