

SOM

Summer 2022 Internships

SOM is seeking the best emerging talent to join us this summer. Design opportunities in our Chicago, New York, San Francisco, Los Angeles, Washington DC, and London offices are available.

Select candidates will get hands-on project experience in architecture, interiors, structural engineering, sustainable engineering, and urban design.

Submit applications by March 4 at [som.com/about/careers](https://www.som.com/about/careers).
