Engage in a series of immersive workshops and captivating conversations to become a Force of Change on leadership strategies, practical skills and professional growth in the building industry.

On Thursday, June 16 and Friday, June 17:

#### ACT.

On Thursday, attend over a dozen virtual interactive sessions guided by the country's leading construction firms and organizations.

Day 1

#### INSPIRE.

On Friday, share your voice in-person to build a new national agenda for women in construction.

Learn More

#### MOTIVATE.

Meet with women in the industry to succeed together, wherever you are on the career ladder.

Register

Join us on **June 16** for virtual interactive sessions and on **June 17** for a special in-person symposium to create a new national agenda for women.
