

Bertolini Architectural Works, D.P.C.

Bertolini Architectural Works, D. P. C.

- Bertolini Architectural Works is a full-service A/E firm located in midtown Manhattan, specializing in exterior envelope assessment and compliance including restoration work.
- BAW's projects also include interior design, residential and some commercial work.
- See our website: www.BAWorks.net

Entry Level Position

- We have two (2) full-time positions open for Junior Architects or Engineers.
- Applicants should be motivated, organized, and eager to learn. Candidates should be proficient in CAD and have, or be working toward a degree in Architecture or Engineering
- Salary Range (\$40k to \$65k)
- The position will include field measurements, preparation of plans, elevations and details as well as the organization of bid, construction and municipal filing documents. Comfort with Heights is a must.

You'll work as part of our dynamic, collaborative team on a variety of projects that will expose you to all that NYC architecture and the construction industry have to offer.

Interested applicants should email their resumes to admin@baworks.net
