

GUEST SPEAKER

OF THE
WEEK

BIM AND ADVANCED USE OF TECHNOLOGY IN
DESIGN AND EXPERIENCE FOR THE BUILT
ENVIRONMENT

SHANE BURGER

Join us for an inspiring presentation featuring Shane Burger, Principal at **Woods Bagot** and a globally recognized leader in technology-driven design. With extensive expertise in design computation, VR/AR, and Smart Buildings, Shane leads groundbreaking initiatives in design and delivery.

His impactful work at **Grimshaw Architects** revolutionized arts and cultural institutions, while his role as former director of **Smartgeometry** positioned the organization at the forefront of art, design, and technology.

**DON'T MISS THIS EXCLUSIVE OPPORTUNITY
TO GAIN INSIGHTS FROM SHANE'S VISIONARY LEADERSHIP!**

May 02, Thursday 
@12:45 - 2:00 PM

ROOM V-812
