To Whom It May Concern:

It is a great pleasure to recommend Anzhela Yusupova for a position as a Registered Nurse, in your organization. I was Anzhela's clinical instructor, at Woodhull Hospital and Mental Health Center, during the spring semester 2013, Nursing Process Level IV; Medical-Surgical. Anzhela was an outstanding student and asked appropriate questions. She constantly delivered quality patient care and always looked for new experiences during the clinical sessions.

Anzhela possesses critical thinking skills and always came well prepared for clinical. She is eager to learn, focused, and an effectual team leader. Anzhela has demonstrated exceptional nursing potential and would be an asset to your organization.

If you have any questions please contact me at the above number or email above.

Sincerely,
