

# SOCRATES' AMNICOLUS

AMNICOLUS IS HOUSE THAT IS DESIGNED TO EMBODY THE SPIRIT OF AN INVISIBLE GUARDIAN WHO ENRICHES ALL YOUR FIVE SENSORY RECEPTORS. ACHIEVING THIS GOAL, THE HOUSE WILL MAINTAIN A SENSE OF CALM AND SOOTHING ATMOSPHERE ON ITS RESIDENTS.

"BEWARE THE BARRENNESS OF A BUSY LIFE."

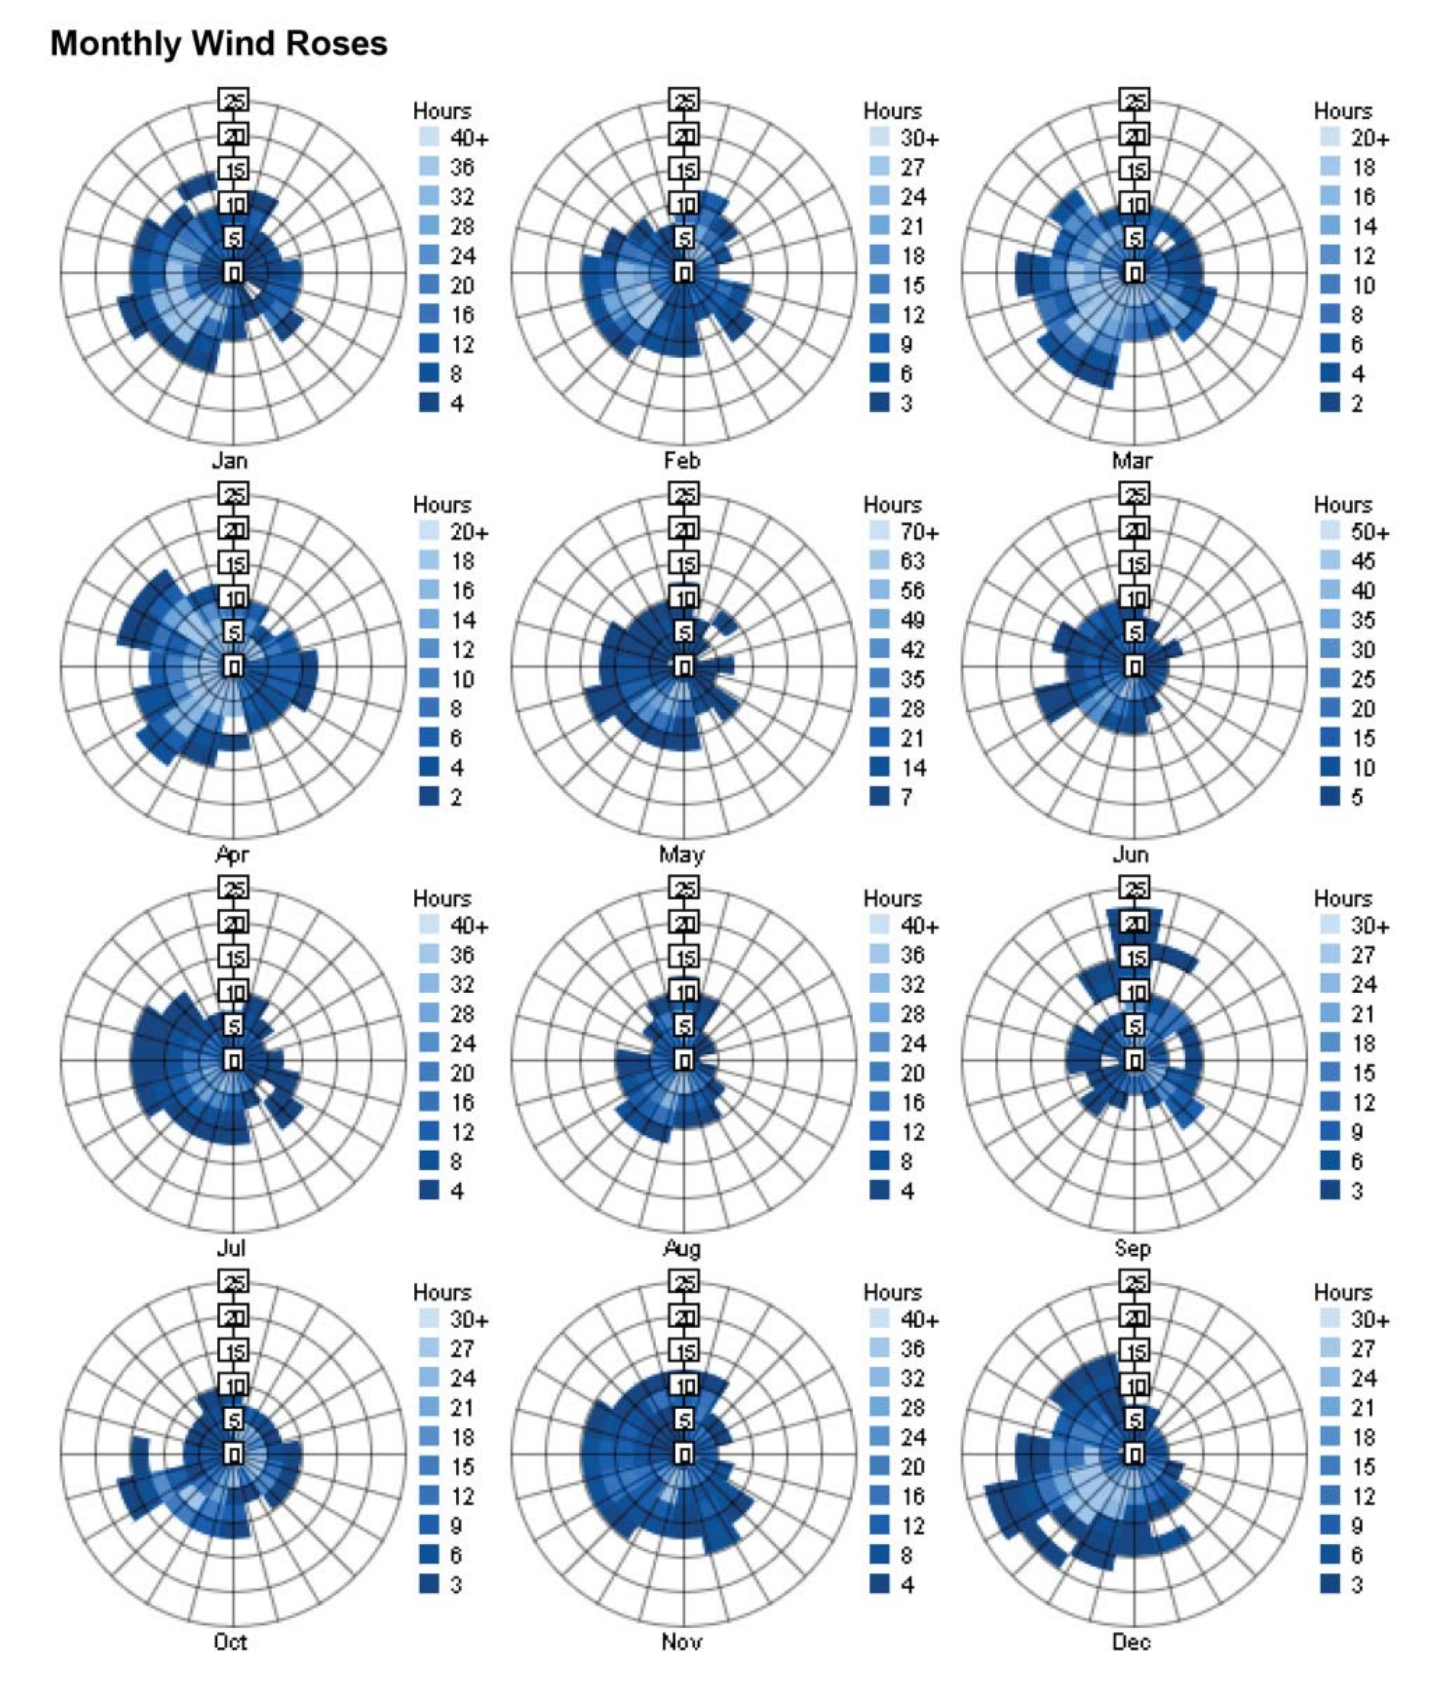

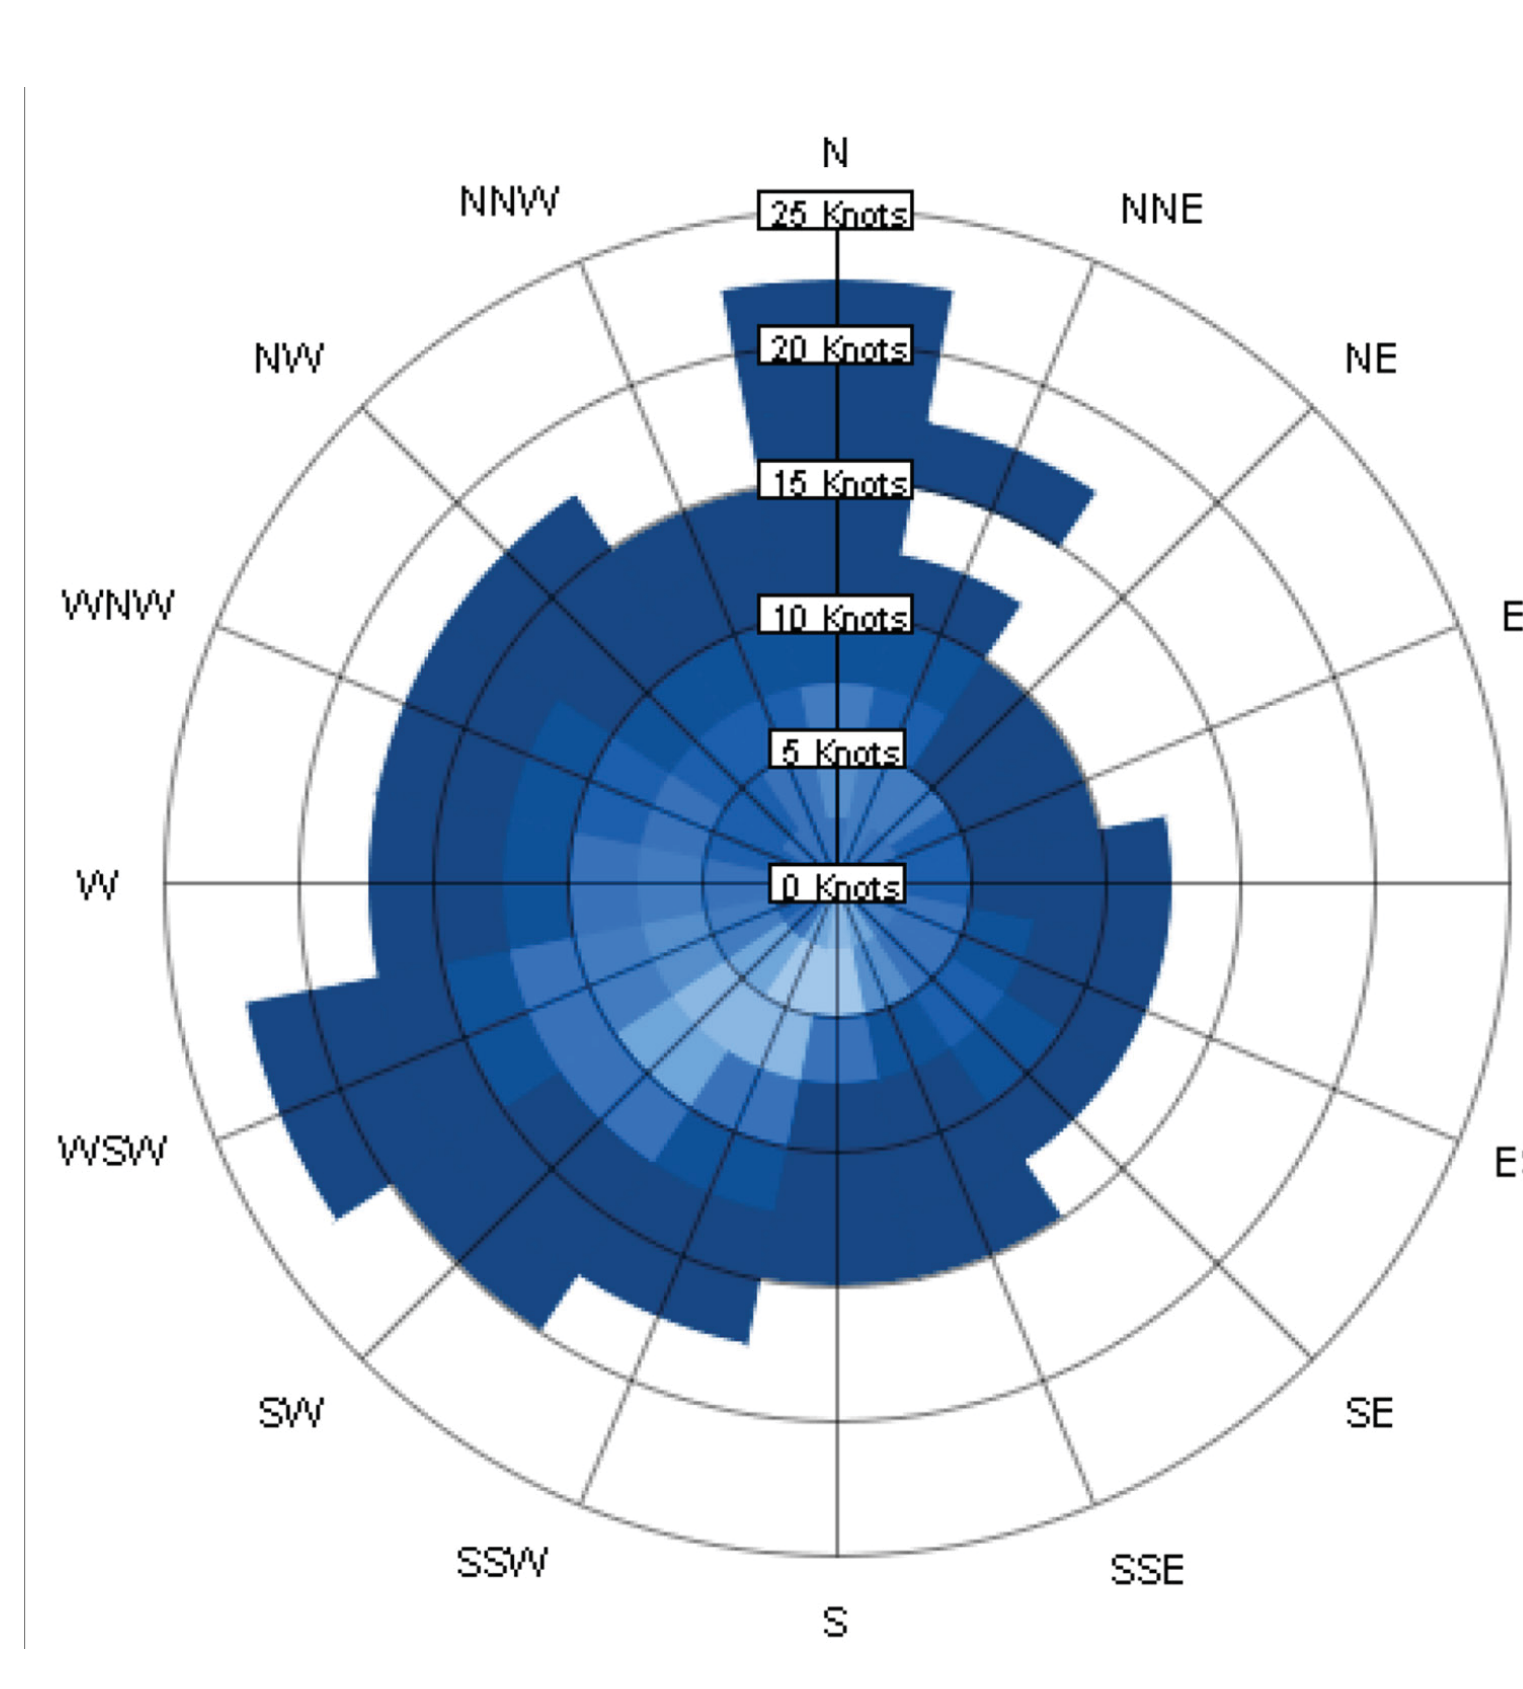

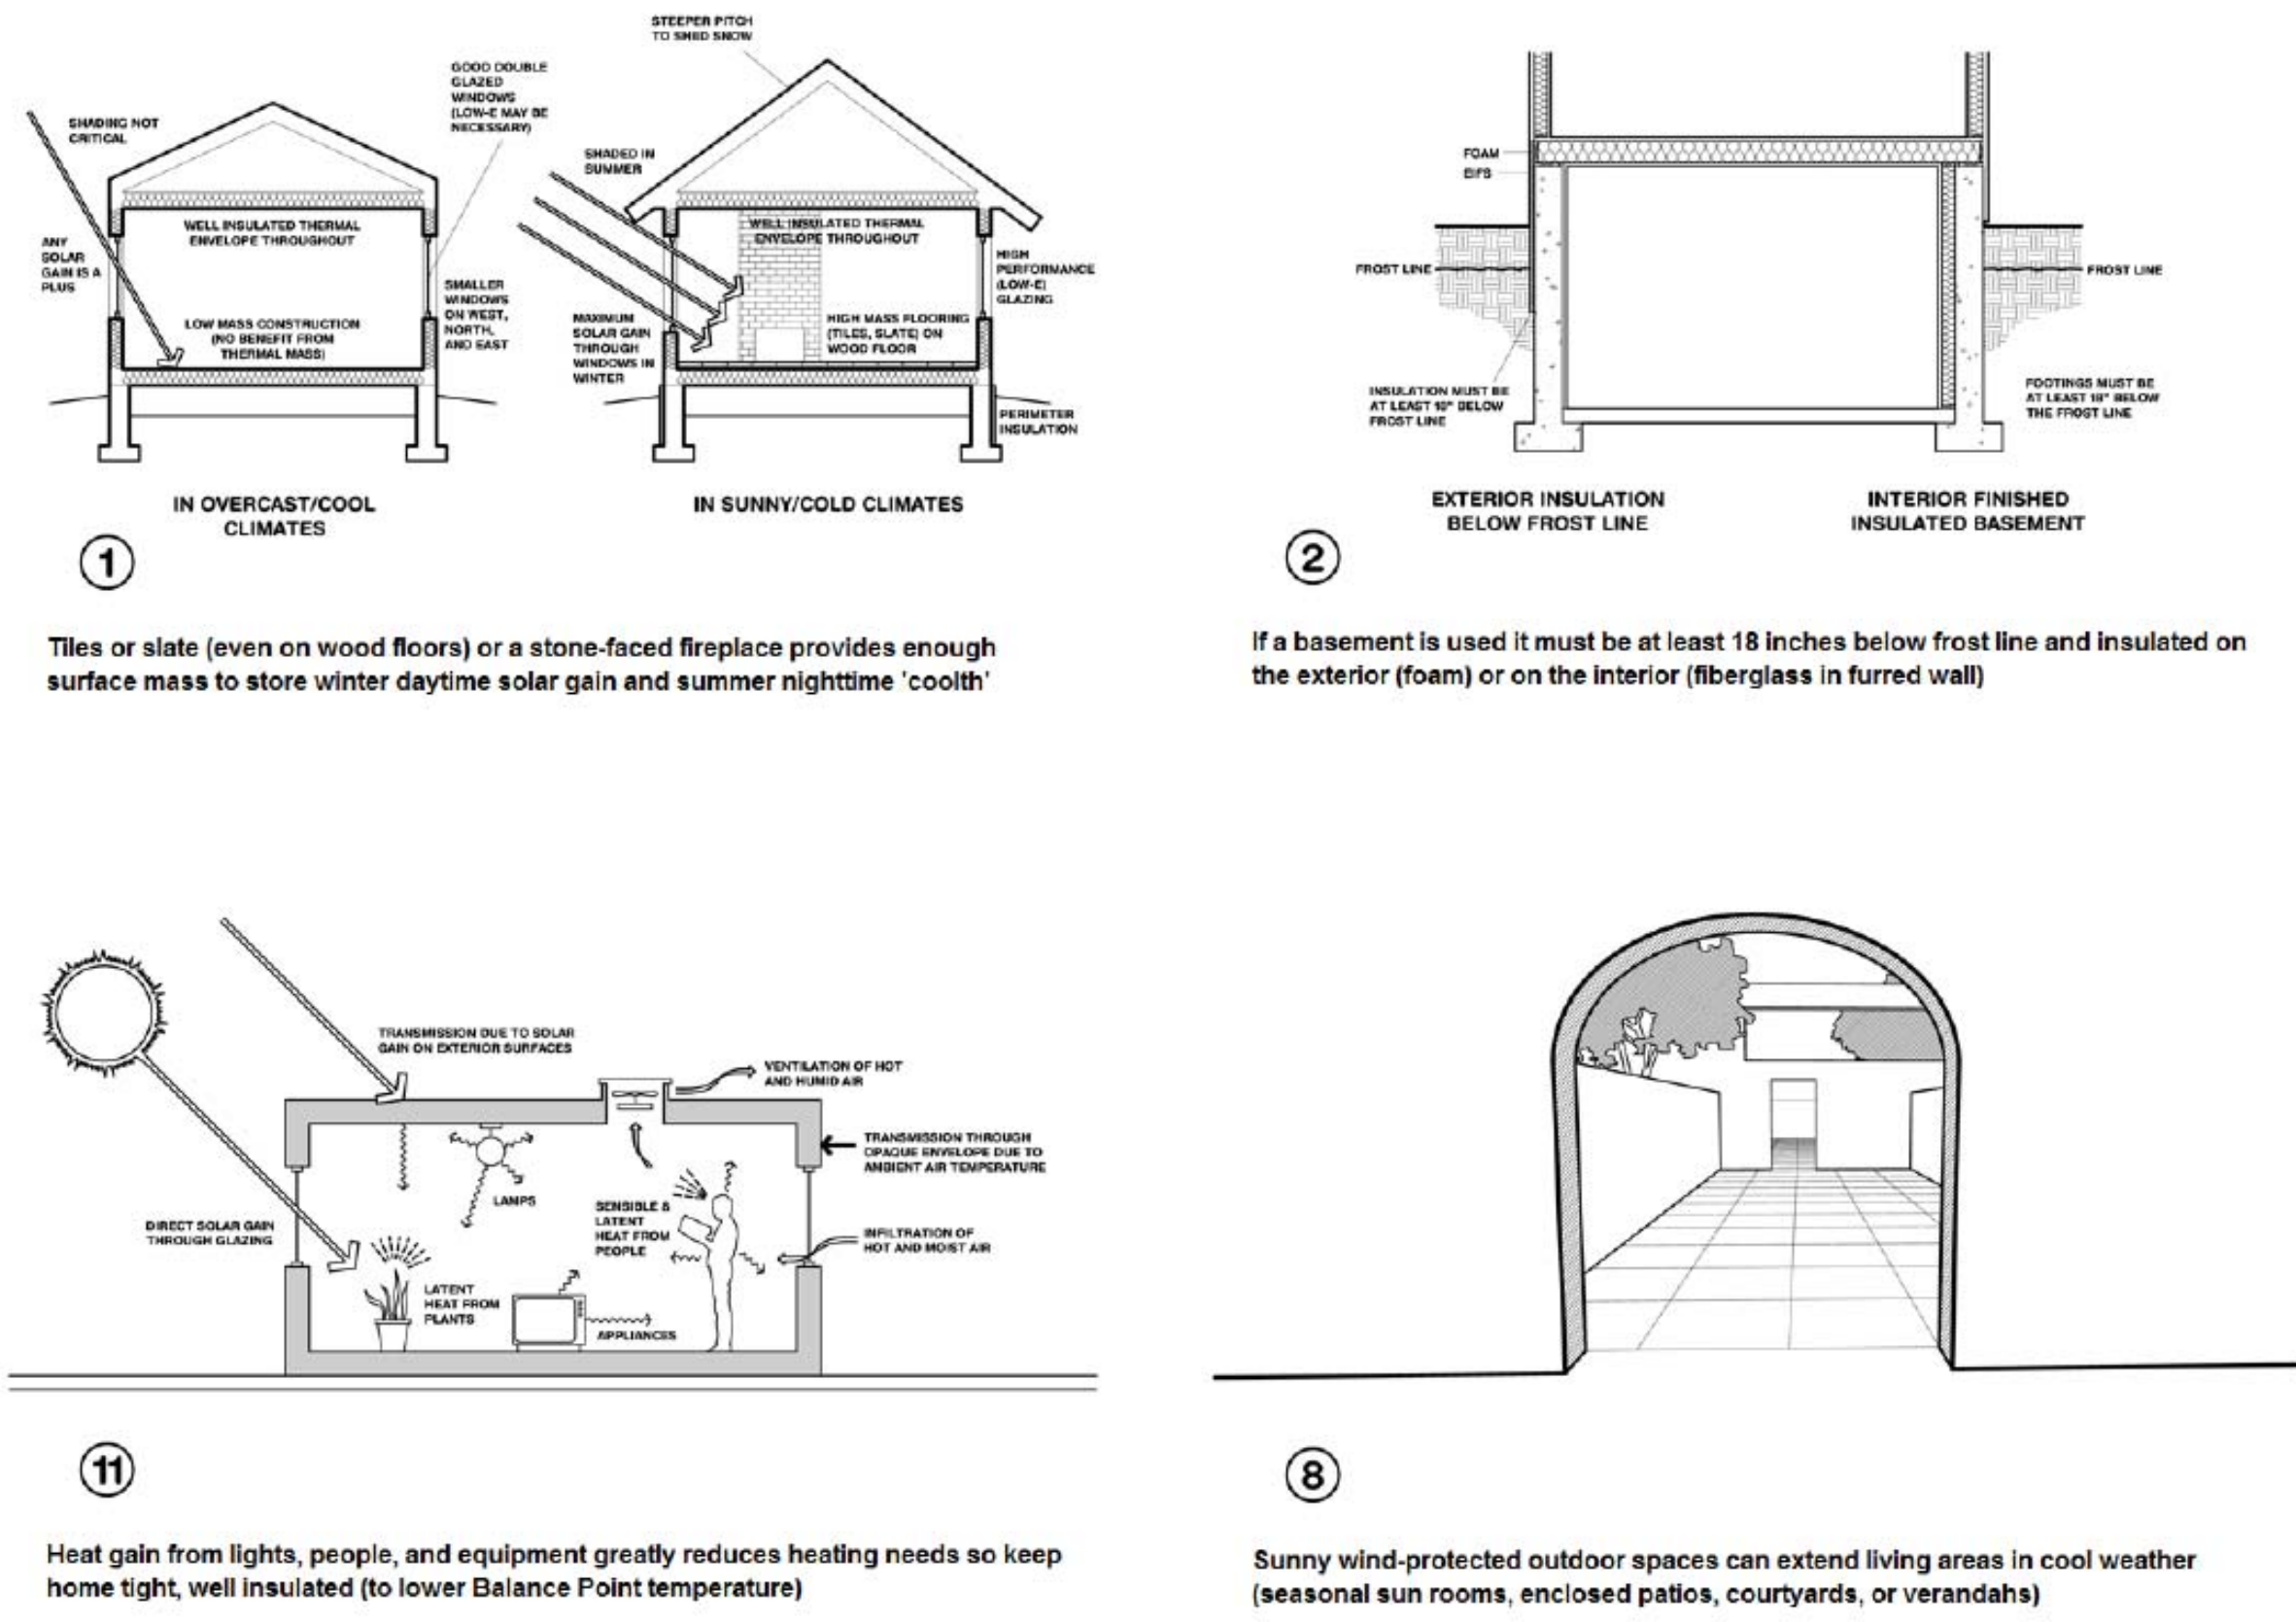

IT WILL HAVE PHYSICAL IMPERFECTIONS FORWARDING THE AWKWARDNESS OF HUMANITY TRYING TO CONTROL EVERYTHING IN NATURE. IN THIS LOSE OF CONTROL BY THE USE OF OPTIC, HAPTIC, AROMA, TASTE AND AUDIO VIA THE ARCHITECTURE IT WILL HOPEFULLY BECOME APPARENT TO THE SUBCONSCIOUS AND CONSCIOUS THAT THERE IS BEAUTY IN NONCONFORMITY AND THAT IRREGULARITY TO THE STANDARDS OF EXPECTING HAPPINESS FROM CLEAN INDUSTRIAL FINISHED GOODS IS NOT THE ONLY WAY TO LIVE.

THERE IS JOY IN UNDERSTANDING THE QUALITY OF LIVING WHEN IT'S OPERATIONS ARE EXAMINED CAREFULLY, EVEN THE PROCESS OF JUST SITTING; AND SO WITH THIS, IDEA OF A IT BEING A MENTOR IS ADDED ONTO THE GUARDIAN.
