TO WHOM IT MAY CONCERN

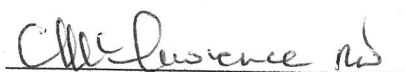

It is with great pleasure that I recommend Brian Adzadi for the position for which he has applied at your hospital. I have had the privilege of knowing and working with Brian for the last 9 years in the Pediatrics ER at Kings County Hospital. I am a registered nurse at the said hospital working in the Level One Pediatrics Department along with Brian.

During this time I have gotten to know Brian for the hard working and dedicated person that he is. Brian has through the years displayed great professionalism, exemplary work ethic, and his knowledge and skills made him an asset to our team. He is determined; goal oriented and works to achieve the best of his abilities and to ensure that his patients receive the best care possible. Brian's devotion to providing care to the clients in his charge is admirable and unwavering, he faces challenges head-on and is strong willed, focused, quick to respond in the case of an emergency.

Brian is a people's person who works very well with his peers and is well liked by people with whom he interacts.

This is why I can undoubtedly recommending him for the position he has applied for at your institution. He will be an invaluable asset to your team. You can contact me with any additional questions at phone numbers (347) 702-4841 or (646) 425-6255.

Sincerely,

Carolann McLawrence RN
