

Finding sources for Essay #2: Connecting a Poem to Contemporary Life

First, we will generate keywords to search for articles on your topic:

Title and author of the poem you will write about: _____

Specific political or social news event you will write about: _____

| Themes of the poem | Keywords describing news event |
|--------------------|--------------------------------|
| | |
| | |
| | |
| | |
| | |

Next, we will search the library’s electronic holdings for articles on your topic. Start at the library website and select **Find Articles** from the **Start your Research** menu. Then select **News and Current Events** or browse all.
