

This group 1.

Artist Paul Klee loved simple shapes. How does his pear look different from the real one? Anything the same?

Select a recorder to write down notes to post on the Discussion Board.

1. Tell me what you see
What's your favorite fruit?
in this picture?

2. Can you draw this
picture with your
version of SHAPES?

3. Why is this picture.
impressive?

Look around your house or on the

Internet for some fruit and try to draw it

Like Paul Klee.

Paul Klee Beulen Birne (Bulgy Pear), 1934 gouache on paper
