Help Desk for Students

Admission Application

You are considered a transfer applicant if you have attended a college, university and/or proprietary school since graduating from high school/secondary school. This applies whether or not you are seeking transfer credit and/or changing your program of study.

General Transfer Applicants

Apply online to up to four CUNY colleges with one application and one non-refundable application fee. You **must** list your college choices in order of preference, as you will only hear back from **one** college choice.

Supplemental paper applications

Transfer programs such as the Physician Assistant Programs and the CUNY Baccalaureate for Unique and Interdisciplinary Studies require a supplemental paper application in addition to the CUNY online admission application. Visit the appropriate college/program website for details and more information.

CUNY School of Professional Studies (SPS) Applicants

Apply to one of nine programs leading to a B.A. or B.S. degree. Visit the CUNY School for Professional Studies website at www.sps.cuny.edu for more information.

The Admission Review Process

As a transfer applicant, your admission application will be evaluated based on an individual review of your academic record that includes **all** attempted and completed courses and grades earned and essays/personal statements and letters of recommendation. Applicants to our four-year colleges must have completed at least one 3 credit college-level course in mathematics and English with a grade of "C" or better or must demonstrate college-level readiness based on SAT, ACT or New York Regents test scores.

Your entire coursework history, including grades earned from courses taken more than once, will be used to determine a grade point average (GPA). If more than one college was attended, your GPA will be determined through a combined calculation of all attempted coursework. Your high school/secondary school record will be considered if you have completed fewer than 30 college credits.

Please review the **Transfer Admission Profile** (available at www.cuny.edu/prepare) to get an idea of the mean GPA used for admission by each college.

CUNY Community College Graduates

If you have graduated or will graduate from a CUNY community college and would like to apply to a CUNY four-year college, you must complete a Transfer Admission Application.* Admission to a CUNY four-year college is guaranteed, although not necessarily to your first choice program or college, if you meet the following conditions:

- you have earned an A.A., A.S. or A.A.S. degree with a 2.0 GPA or higher.**

*If you have graduated or will graduate as part of the CUNY Justice Academy and wish to continue your studies at John Jay College of Criminal Justice, you do not need to fill out a Transfer Admission Application, visit www.jjay.cuny.edu/CUNYJusticeAcademy for more information.

**CUNY A.A. and A.S. degree-holders are guaranteed at least 60 credits toward a 120-credit bachelor's degree.

Readmission of Former CUNY Students

If you are applying to a CUNY college that you have previously attended, **do not complete** a Transfer Admission Application. Please contact the Admission Office or Registrar's Office at the college for readmission information.

Evaluation of Transfer Credit

The individual college and program will complete a transfer credit evaluation after admission.
