NYCCT itself does not control the way in which the internship work experience and the internship site is structured or operates. Whether for academic credit or purely for the work experience, the College affirms that this internship, to the best of its judgment, is an appropriate curricular option but makes no other assurances, expressed or implied, about any travel and living arrangements the student has made.

NYCCT does not knowingly approve internship opportunities which pose undue risks to their participants. However, any internship or travel carries with it potential hazards which are beyond the control of the College and its agents or employees.

**INSURANCE COVERAGE**

- I understand that I am responsible for sufficient health, accident, disability and hospitalization insurance to cover me during my internship; I further understand that I am responsible for the costs of such insurance and for the expenses not covered by this insurance, and I recognize that NYCCT does not have an obligation to provide me with such insurance.
- I will release, defend and indemnify NYCCT from any liability for injury to myself or damage to or loss of my possessions.
- College has no liability for personal injury or property damage which may result from that use. I agree to rely solely on my personal vehicle insurance coverage and on any insurance coverage provided by my internship agency.
- I understand that although some internships may be paid, others are voluntary in nature and there may be no compensation for services performed. It is my decision as to whether I participate in an unpaid internship. I acknowledge that this internship, whether for college credit or not, involves real-life situations and provides educational experiences not obtainable in a classroom setting. I understand that I will not be entitled to unemployment compensation benefits upon completion of my internship. Further, I understand that NYCCT assumes no liability for personal injury which I may suffer in the course of my internship and that I am not covered under NYCCT's workers' compensation insurance policy.
