PROPOSED FABRIC

Fabrics that will be used:

- **Satin:** 30%Rayon, 20%acetate, 30%polyester, and 20%silk
- **Paduasoy:** 100% Silk
- **Organza:** 60% polyester and 40% Nylon
- **Charmeuse:** 30% Silk , 40% Polyester, and 30% Rayon

The background features a large, light pink triangle with a white border, tilted slightly. Inside and around this triangle is a dense, chaotic arrangement of black geometric shapes, including triangles, lines, and polygons, some of which appear to be breaking apart or flying outwards. The overall composition is dynamic and modern. At the top and bottom of the image, there are horizontal pink bars of varying lengths, and several small, dark grey triangles are scattered around the central composition.
