

# Tranquilo 2019

Close your eyes, sit in a comfortable position, clear your mind, simply sit and observe your surroundings. Take a deep breath, hold it for a bit and think of the most relaxing place possible. What was that relaxing place? Was it at a pier on a sunny day? Was it staring out a window on a cloudy day? Perhaps it was watching the setting sun sending its light through a high concentration of dust particles? Could it have been watching the sunrise instead? Resting on top of a hill on a dark night? Or at a park, just admiring the scenery?

Introducing **Tranquilo 2019**, the color palette for all of 2019. Our color scientists here at Qantone have developed a palette so revolutionary that it's based on human emotion. Narrowing it down to one emotion is never easy but after various tests, it became clear that **Tranquilo** is going to be the emotion of 2019.

The different hues of blue, pink, yellow, gray, and green will take on a new meaning this year. A calmer approach will change the way we look at those colors. Balmy Blue, Peaceful Pink, Mellow Yellow, Graceful Gray, Gracious Green, and many more are here to change the game.

Tranquilo 76-24 Balmy Blue

A quiet and restful blue; Some say it's best if you just whisper the name.

Tranquilo 09-66 Pacific Azure

A relaxing and pleasant blue; Pacific Azure is the ocean on a still night.

Tranquilo 89-37 Peaceful Pink

The result of what would happen if red got an entire 8 hours of sleep.

Tranquilo 13-82 Passive Purple

The result of violet almost getting into a fight, but being able to talk things out.

Tranquilo 31-45 Mellow Yellow

Gives off a warm and fuzzy feeling; It's fluorescent yellow's sleepy cousin.

Tranquilo 96-54 Mild Dorado

Not spicy and not sweet; It's just right according to Goldilocks.

Tranquilo 21-90 Graceful Gray

There are 50 shades of Graceful Gray, but we chose the noiseless and private one.

Tranquilo 62-25 Still Schwarz

Es ist schwarz, aber mit einer Wendung

(Goes with everything so you don't have to worry about matching)

Tranquilo 11-23 Gracious Green

Remember what a field of grass smells like after it rains? Gracious Green is just that, but more gentle.

Tranquilo 01-02 Serene Zelenyy

Eto yedinstvennyy sposob, kotorym zelenyy rifmuyetsya s bezmyatezhnym
