

I'm waking up at the start
of the end of the world,
But its feeling just like ev-
ery other morning before,
Now I wonder what my
life is going to mean if it's
gone,
The cars are moving like a
half a mile an hour
And I started staring at
the passengers who're
waving goodbye
Can you tell me what was
ever really special about
me all this time?
But I believe the world is
burning to the ground
Oh well, I guess we're
gonna find out
Let's see how far we've
come
Let's see how far we've
come
Well I, believe, it all, is
coming to an end
Oh well, I guess, we're
gonna pretend,
Let's see how far we've
come
Let's see how far we've
come

I'm waking up at the
start of the end of the

But its feeling just like
every other morning
