SITE DOCUMENTATION (photos/sketches)

This picture show the street the theater is on and a view of the Brooklyn Bridge, one can see how the use of modern and old architect style is use.

This is a view of the St. Ann Theater from the front entrance with the open area. I believe this was created to give a green space to the mostly concrete area.

This picture show a wider view of the theater with bike parking

This is a wider view of the theater with the Brooklyn Bridge in the background. It shows how this theater is making use of a beautiful space and you are almost looking at it as a work of art.

SUMMARY / POST VISIT REFLECTION

St. Ann Theater is a beautiful place. I have never seen anything event for myself but I always hear the happy people every time I pass by. I will like to have money one of these days to be able to attend a show in there.
