INTRODUCTION

Afropunk is a New York City event, encompassing many musical artist into 2 days of live music and dancing. People come from all over to Commodore Barry Park, on the corner of flushing ave and Navy st.

PRE-VISIT REFLECTION

As I journeyed I was not expecting at all to see the festival being built, let alone know of its existence. As I saw the park being transformed into this grand attraction, I saw the size of park and considered that it is sizeable enough for such an event.
