## PROFESSIONAL EXPERIENCES

### Dynamic Smile Dental

New York, NY

Dental Assistant

November.2022 – Present

- Liason between patients and insurances to verify eligibility, plan benefits, billing prior to scheduled appointments.
- Maintain sanitary operatory rooms by sterilizing, disinfecting, and prepping after each procedure.
- Proficiently manage time between front desk duties, assisting chairside, and exposing dental radiographs.

### Zara Dental

New York, NY

Dental Assistant

May.2021 – August.2022

- Carefully assist chairside with general and cosmetic procedures – cleanings, fillings, extractions, crowns, root canals, Invisalign, and veneers.
- Effectively take FMX, panoramic, and CBCT radiographic images on Dexis and Vatech softwares with little exposure to radiation.
- Scan patients' teeth using the iTero for Invisalign, retainers, nightguards, and restorative treatments.
- Measure patient's blood pressure elevations prior to treatment to ensure patient is viable, stable and secure enough to withstand upcoming treatment without risking overall health

### Truth & Laughter Dentistry

New York, NY

Dental Assistant

April.2021 – February.2022

- Greet incoming patients with precautionary measures of COVID screening forms and temperature readings using a body thermometer.
- Assist chair side with cleanings, fillings, extractions, crowns, and root canals while managing incoming phone calls.
- Efficiently take necessary diagnostic FMX, panoramic x-rays with minimal radiation on Dexis and OpenDental.

## LEADERSHIP & VOLUNTEER

### Give Kids A Smile
