

BETTER NOTE TAKING, BETTER GRADES:

A STUDENT WORKSHOP

Studies have shown that students who take efficient notes by hand perform better on tests and papers and more easily handle complex problems. This is a workshop designed for students to introduce basic and advanced note taking skills to help you raise your grade and master difficult coursework.

Open to all City Tech Students. Faculty Encouraged to attend

DATE: THURSDAY, FEBRUARY 25, 2016
TIME: 1:00 PM - 2:15 PM
VENUE: NAMM 402
