

A Day in the Life

Acoustics, Audiovisual, Theater, and Experience Design

Arup is hiring! Our acoustics, audiovisual, theater, and experience design team is searching for students who are interested in full time graduate and summer intern opportunities across the Americas region. Applicants should be highly skilled and motivated with knowledge of one or more of the following:

- Acoustic modeling and auralization
- Audio and video system design
- Coding
- Fundamentals of acoustics and vibration
- Multimedia recording and production
- Theatrical lighting and production systems
- User experience, user research, and user journeys
- Experience design disciplines

Join us online to speak with our consultants, learn more about our innovative projects and culture, and hear about current graduate and internship opportunities. Bring your questions!
