

## SUMMER BUILD INTERNSHIP PROGRAM

BUILD Interns at B2K Development, LLC work closely with management-level mentors in their specialty fields and are actively involved in current projects during our 8 week, paid summer internship program. 2023 BUILD Interns will have the unique opportunity to work on our project in Long Beach, NY. Consisting of over 1 million square feet on a 6-acre lot, including two 9-story towers with 200 condos, and one 10-story tower consisting of 238 units atop a 2-story parking garage and a vast array of amenity and retail space, this project is currently one of the largest projects on Long Island. Interns will have an opportunity to participate in the continuing construction as well as starting the process of the close out of the project including, attending job meetings, scheduling, compiling closing out documents, and working in Procore project management software. Interns will be interacting with Project Managers and Project Supers and will have the opportunity to experience day-to-day office and jobsite activities of a project of this magnitude.

### REQUIREMENTS:

- Currently a rising junior, senior, or graduate student pursuing an undergraduate or master's degree at a two- or four-year academic institution.
- Majoring in Engineering, Construction Management or other related field.
- Self-starter who is proactive, eager to learn, creative, a problem-solver, and able to take initiative in a fast-paced environment.
- Strong interest in Construction at all levels.
- Working knowledge of Construction terms, practices and software preferred.
- Previous internship or work experience in the related field, preferred.
