### Title of the Poster

**Student's name(s)** [First name/Last name – if more than one student, please list the names in alphabetical order by last name]

**Professor's name(s)** [First name/Last name – if more than one professor, please list the names in alphabetical order by last name]

**Course number: Course title (if applicable)**

**Name of grant and grant number (if applicable)**

### Honors Scholars Projects Example

Making Connections, Developing Learning Resources for Students in Dining Room Operations

Bannesa Espinal Cruz

Prof. Karen Goodlad

HMG 2305: Dining Room Operations

### Emerging Scholars Projects Example

Sustaining an Online Writing Program

Tamrah Cunningham

Prof. Reneta Lansiquot

### Special Projects Examples

Interdisciplinary Courses

What Does It Mean to be Human?

Savan De Jesus

Prof. Laureen Park

ENG 1773ID: Weird Science

Grant Projects

Exercise, Smoking, and Weight Maintenance: Exploring and Confirming Factorial Structure of Decisional Balance Measures on Diverse Samples

Karina Castillo, Mariam Kamara, and Willnely Scroggins [Names in alphabetical order by last name]

Prof. Amanda Almond

Grant Title: Bridges to the Baccalaureate Program

NIH Grant #41894-00 05

Special Projects

Culinary/Pastry Future Innovators – Engaging Tomorrow's Leaders of the Hospitality Industry Through Development and Exhibition of Creative Works

Michelle Chen, Amber Furey-Lessen, Aquille Pierre, David Rivera, Charles Tripoli, Kristen Tsui

Culinary Pastry Innovators (CPI Fall 2018)

Prof. Robert Walljasper, CEC, CCE, CHE

Highlighted Projects

Predicting Seemingly Esoteric Probabilistic Distributions by Simulations

Thinh Le

Prof. Satyanand Singh

## Guidelines for Designing a Poster\*\*

Please submit your poster by the deadline. Because of the limited memory of the poster printer, it is best that you minimize the number of graphics and use a light color for the background and/or text boxes.

There will be an online session to support students in designing their poster presentations.

**Thursday, April 2**

**Designing a Research Poster Presentation**

**Prof. Amanda Almond**

If you have any concerns or questions, feel free to contact us. We look forward to seeing you at the poster presentation.
