Pet Peeve

Merriam-Webster.com definition- a
subject of complaint

Line Cutters

There are social rules you must follow.
Line cutting is a reflection of the rudeness of our society. Personally I find it offensive that someone's time is more important than mine. There are line cutters out there when there is clearly a line. Some are ones who pretend to not see the line. Others are ones who don't care to understand when told there is a line. Some just don't care.
