The Amazonian Camu Camu berry has the vitamin C power of 30 Oranges

PETER THOMAS ROTH

50 ML / 1.7 FLOZ

The **Camu Camu** berry is a potent superfruit from the Amazon that provides 30 times more vitamin C per ounce than an average orange. This highly concentrated vitamin C has superior absorption properties due to its low molecular weight allowing it to better penetrate the skin, help boost collagen production, brighten, smooth, firm, and improve the appearance of uneven skin tone, fine lines and wrinkles. Powerful anti-oxidant **Camu Camu** with vitamins A, D & E also helps revitalize the look of skin while helping to fight free radical attack.

Directions: Shake well. For best results, apply twice daily to face and neck and with continued use. **Caution: External use only.**
