

NINTENDO 64

GAMECUBE

2001

Animal Crossing

• Eguchi wanted to recreate the feeling of being alone in a new town, away from friends and family.

NINTENDO DS

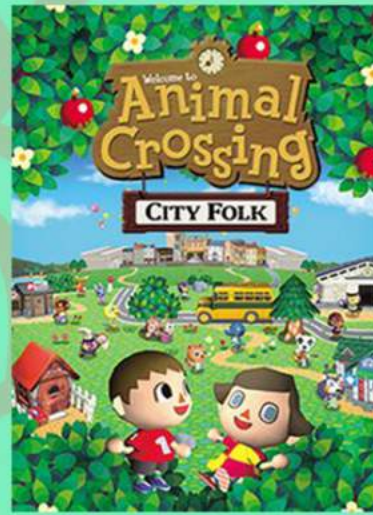

2005

Animal Crossing Wild World

• First Animal Crossing to have a sky.

Wii

2008

Animal Crossing City Folk

• It was the first Wii game to utilize the Wii Speak, an accessory that allows players to talk to each other during online play.

NINTENDO 3DS

2012

Animal Crossing New Leaf

• For the first time in the series, players are appointed to the role of Mayor.

Isabelle made her first debut in New Leaf (2012)

2020

Animal Crossing New Horizons

• It quickly became the first console game to reach 5 million digital sales within a month, with the high sales often attributed to the social distancing orders surrounding the COVID-19 pandemic
