

## ***Internship Position: Graphic Designer***

### *Company Description*

- Three unique and multi-talented entrepreneurs hailing from Brooklyn New York, founded Overcoming the Odds LLC. (OTO) in 2017. The team's core values are Education, Community and Support. OTO owns an online distribution channel on the new ACTBoom Network, OTO Live TV Channel 70. This platform has the ability to showcase original content worldwide, revolutionizing the current format of television. Through content like their animated series, the Mr. Turn Up Show and OTO Live, the channel will provide fans with quality content suitable for all ages but geared towards young adults and teenagers in marginalized communities but creating a relatable experience for all. They aim to reach individuals currently experiencing having to overcome the odds in addition to individuals seeking a platform (channel) to build their brand.

### *OTO Interns will have the ability to*

- Grow with a unique production company that is connected to various global outlets to showcase their talents.
- Working alongside driven individuals who promote creativity and upward mobility amongst each other.
- Earn College credits and receive a recommendation letter upon request.

### *Internship Description*

- OTO is looking for a bright, energetic Graphic Designer to work with our Company as a non paid intern. The focus will be on creating graphic content for the website, events, promotion, and opportunities. This opportunity comes with being able to mainly work remotely.

### *Job Skills/Qualifications*
