Supervisor JAIME ARIAS Title: AV SHOP OPERATIONS MANAGER

Email: JAIMEA@WORLDSTAGE.COM

Telephone: (201) 408-1664

To Supervisor and Student: Fieldwork is an essential part of the requirements of the internship for the Entertainment Technology Department. The internship supervisor is responsible for evaluating the performance of students in the internship. The evaluation should be a joint process and filled out after a conference between the internship supervisor and the student. The evaluation should be returned to the New York City College of Technology- Entertainment Technology Department no later than the third week of December or May, so that the student can be assigned a final grade and receive appropriate credit for the Internship. - Thank you for your cooperation.

- 1. **Internship Assignment:** Describe the intern's assignment. Include the function of the job area to which the intern was assigned and the specific service provided by the intern.

Exposing to all areas of the AV shop, including cables, audio, video, LED, projection, media servers, engineering.
