

Law 1101: Introduction to Paralegal Studies/Coughlin/Fall 2021

Assignment: Where do you want to work?! *Law office post!*

- "Homework & other assignments," graded 0-3.
- Due on Openlab 8am Tuesday, Oct. 5, 2021

Write a post on OpenLab identifying a law office in NYC where you might like to work! You can choose a private law firm (like Constantine Cannon LLP), or a government agency (like a District Attorney's office), or a legal services organization (like Legal Aid Society), or another type of employer discussed in M&M pp. 21-25. The office can be one you already know, for example, if you or someone you know works there. Or you can search for one on the Internet, using search terms like "New York" and areas of law that interest you (like "immigration," "family law," "criminal defense," etc.). If you know the general type of office where you might like to work, and you want help identifying a specific office, let me know and I will try to help you! You will use the office you choose for the resume and cover letter assignment we'll do next.

By 8am on Tuesday, October 5, please write a post on OpenLab identifying the office you have chosen. Please include its full name and address (which you'll need for the cover letter assignment) and a few sentences describing the law office as best as you can, including the type of law office it is (private firm, government, etc.), the kind of work it does (litigation, criminal defense, etc.), and why you'd like to work there. If the office has a website, try to include a link to the site—instructions on how to include links in your post are in "How to Post and Reply" in the "Class notes & materials" tab. The category for your post is "Law office."

Have fun!
