

***LAW 1101/Intro to Paralegal Studies/Coughlin/F20***

**Assignment:** Where do you want to work?! *Law office post!*

- "Homework & other assignments," graded 0-2.
- Due on Openlab 11am Monday, Sept. 21, 2020

Write a post identifying a law office in NYC where you'd like to work. You might choose a private law firm (like Constantine Cannon LLP), or a government agency (like a District Attorney's office), or a legal services organization (like Legal Aid Society), or another type of employer discussed in M&M pp. 21-25. The office may be one you already know, for example, if you or someone you know works there. Or you can search for it on the Internet, using search terms like "New York" and any areas of law that interest you ("immigration," "family law," etc.) and any other features. By 11am on Monday, September 21, please write a post on OpenLab that identifies the office, including its full name and address (which you'll need for a later assignment!), and a few sentences describing it, including the type of law office it is (private firm, government, etc.), the kind of work it does (litigation, criminal defense, etc.—as best as you can tell), and why you'd like to work there. If the office has a website, please include a link to the site--instructions on how to include links are in "How to Post and Reply" under "Class notes & materials" tab. The category for your post is "Law office."
