EXPERIENCE

U.S. Department of Homeland Security (DHS)/Customs and Border Protection (CBP)

Explorer (December 2015 - Present)

As an explorer I volunteer with the U.S. Customs and Border Protection at John F. Kennedy International Airport (JFK). Exploring with the U.S. Customs and Border Protection (CBP) offers me experience and competition-based learning with lots of fun, educational, hands-on law enforcement activities for me to become familiar with the functions of Customs and Border Protection Officers (CBPOs) and the need to safeguard America's borders.

New York Police Department

Explorer (June 2012 - December 2015)

As an explorer I volunteered with the New York Police Department at the 63rd Precinct. Exploring with the New York Police Department allowed me to learn about law enforcement whilst serving my community. As Explorers we were taught the importance of higher education, self-discipline, and respect for authority while actively participating in community service projects and many other Exploring events.

Accomplishments

I was awarded the Explorer of the Year (2015)

As an explorer I was selected to be a team leader for the National Police Week (2016).
