EXPERIENCE

Burlington , 707 6th Ave— Sales associate

June 2020-Present

I am responsible for assisting customers and keeping sections clean, orderly, and appealing. I work the cashier and deliver outstanding customer service to customers who shop in my store

Marshall (TJX), 1710 E 14th St — sales/shoe associate

February 2020 - Present

I am responsible for delivering outstanding customer service and support to our customers. I am responsible for the organization of the store and the organization of our shoe department. I stock shoes from the stockroom, cut boxes and properly dispose of them. I restock shoes that customers don't acquire and properly organize them back. I work with associates to ensure we achieve company goals and get those tjx rewards cards. We ensure the safety and well being of our customers.

Walgreens — Sales associate

April 8, 2020- April 29th, 2020

At Walgreens I would stock and restock product that was brought into the store such as groceries, make up, appliances, etc. I was responsible for making sure that the product was organized and presentable to the customers. I would also work the cash register. I would connect with customers letting them know what deals we have and how to help them respond during this Coronavirus pandemic. I would make cash credit and debit card payments and make sure all customers were satisfied with their shopping

Old navy- sale associate

June 2019-August 2019

I work as a sales associate where I help customer, work the cash register, and made sure that the floors was kept clean and fixed and hung clothing I was responsible for delivering excellent customer service and ensuring all customers had a safe and fun shopping experience. This job was an internship
