Dear Ms. Julie Rendelman,

I am humble to be writing to you for an internship. After studying your website and what you do, I'd love to be your apprentice and learn from you.

Law wasn't something I thought of doing when I grew up, however I do want to learn about the criminal justice system and the practices you do to help my understanding of how you take care of your clients.

I truly believe that doing an internship here will take me a lot of places in the future when I have my own firm.

Sincerely,

Carol Candidate
