July 2022-sept2022
Brooklyn, NY

Worked with other students from different high schools to create hats and bells from clay as well as building other projects from different materials. Mentored other students during the process of each project or workshop they wanted to be a part of. At the end help them write a brief paragraph of what they let and how would it help them in the future

Extracurricular Activities

Unity Club

March 2021- Present
Brooklyn, NY

Learned about the different gender identities in the LGBTQ+ community. Created a bulletin board that shows the meaning of what gender equality is, the different types of gender identities, and famous people who support or identify with specific groups, as well as school staff who support.

Student Government

Sept 2021 - Present
Brooklyn, NY

Plan events with all student government members for all students to learn and enjoy. Create and present slideshows about upcoming events to each classroom. Create a community where students can support planning and helping with decorations for events.

Restorative Justice Youth Team

Sept 2021 - Present
Brooklyn, NY

Create a safe space for students so that they can feel welcome to the school. We go into the classrooms to let students know that we are available for them to talk to us about any difficulties or issues they are going through and figure out ways we can help.
