## Career History

- Certified Dental Assistant, *Classi Cosmetic & Implant Dentist of NYC*** *September 2017 – December 2018*
- Was the sole assistant to one of New York's leading prosthodontists. My duties included chairside assisting, impressions, ordering supplies and running sterilization for the office.
- Certified Dental Assistant, *Woodcreek Dental (Greenville, SC)*** *July 2015 – August 2017*
- Worked as a chairside assistant in general dentistry. It is a high-volume practice where I assisted with a wide variety of procedures and materials, such as implant placements and sedations. It is a patient-focused practice where I utilized my exceptional people skills alongside my extensive knowledge of the dental field.
- Specialist, *SC Army National Guard*** *2009 - 2014*
- Completed 10 weeks of Basic Combat Training to ensure physical and mental readiness at Fort Jackson, SC.
  - Completed Advanced Individual Training for 25S (Satellite Communications Systems Operator/Maintainer.)
  - Volunteered and completed additional training in basic IT and radio equipment.

## Education

- **Dental Hygiene Program** *January 2019 - Present*  
*New York City College of Technology: Brooklyn, NY*
- **Expanded Duty Dental Assisting Program** *2014*  
*Greenville Technical College: Greenville, SC*
- **Completion of 25S Course (Satellite Communications)** *2010*

- **Completion of TEFL Certification** *2008*  
*I.T.C.: Prague, Czech Republic*
- **B.A. Degree in German** *2005*  
*College of Charleston: Charleston, SC*

## Extracurricular

- Dental Humanitarian Trip – *One Heart Global Ministries (Ecuador)*** *July 2016*
- This was a very special trip to serve those in need in the small village of Pachancha on Mount Chimborazo in Ecuador. It was a week-long, pop-up dental clinic where we saw patients who walked miles to get to us and have never seen a dentist in their life. I was a chairside assistant in this life-changing experience.
