9. The instructor spoke clearly and could be heard in class.
10. The grading system for the course was clearly explained.
11. Overall the instructor's teaching was effective.

STUDENT RESPONSES

This professor has shown me a level of misunderstanding and not willing to effectively discuss the main goal in class and not only this put the professor has shown a level of disrespect in the class. They hand an assignment I will try to follow the explains they would give us and they would say I unable to pass this class if I keep up with the same route and I only going to fail.

Great professor
